Dear Parents/Guardians

**Road Safety Guidelines For Drivers**

**Key points to note when driving into the school:**

- Please slow down and stop promptly for students to cross at the zebra crossing.
  - Please signal early when approaching the school gate and give way to other drivers when necessary.
  - When approaching the drop off area in the school, please stop at designated spots as indicated by our staff on duty. Your child should be ready to alight.
  - When driving out of the school gate, please turn left as it will help ease the congestion and ensure a smooth traffic flow.
- 
- Please refer to the attached maps on how to get to Bedok Road and Upper East Coast Road after turning left at the school gate.
  - We thank all parents/guardians who have been understanding and we continue to seek everyone's co-operation when driving into the school during the peak hours.
