Student Learning Space

SLS Website: <https://learning.moe.edu.sg>

As part of its commitment to nurturing future-ready learners, the Ministry of Education had announced that all students in Singapore schools will be supported in their learning by the Singapore Student Learning Space (SLS), an online learning platform that contains curriculum-aligned resources and learning tools. With the SLS, students will be able to learn better through the use of technology.

Students will be able to learn anytime, anywhere, and at their own pace, whether independently or with their peers. Teachers will also be able to use the SLS to complement their classroom teaching, further enriching students' learning experience. We believe such a learning experience is essential to help students to become an active and confident user of technology.

The Singapore Student Learning Space (SLS) is accessible through the Internet browsers on either Windows PC, Mac, iPad or Android tablets (with screen size larger than 7 inches for good user experience). However, the system is currently not optimised for use on these devices.

What's Student-Initiated Learning (SIL)?

SIL is:

- an opportunity for you to learn to be an independent, passionate and lifelong learner
- a dedicated time during HBL for you to explore personal interests, both within and outside of curriculum

Think about something **NEW** you want to learn

- ☁ Share your plan with your teachers by the end of the lesson package
- ☁ Remember that the activity planned should be done in the **safety** of your house.
- ☁ By the end of Friday, your FTs should be able to view your plans for SIL.

Accessing SILs

The screenshot shows the 'Student Learning Space' interface. On the left, a navigation menu includes 'Home', 'Assignment List', 'Class Groups', 'Resources', and 'Administration'. The 'Class Groups' item is circled in red with a red number '1' next to it. The main content area displays a grid of 'LIAISON GROUPS'. The first group, 'SIL - 3D 2022', is circled in red with a red number '2' next to it. Other groups shown include 'SIL - 3E 2022', 'SIL - 3G 2022', and 'SIL - 3A 2022'. Each group card has an 'OPEN' button. At the bottom of the page, there is a 'Help us improve' button and a pagination indicator showing '2 of 2 pages'.

1. Click on 'Class Groups'.
2. Locate 'SIL- Class 2022'.
